There is nothing that our dedicated team holds more sacred than the honor of serving this community and being entrusted to take care of our friends and neighbors. As one of this area's essential providers of healthcare and as a large employer, our hospital is proud to call this community home. We are proud to have joined ScionHealth, a national health system dedicated to excellence and empowering care for health providers in our community. In addition, we are thankful for partners like you who help us to advance our mission of providing great healthcare to our community and creating a place where great physicians and caregivers want to work. Thank you.

— Bill Little, *CEO*
